WHEREAS the Council needs various committees to inform it, as needed, in advance of the decisions it wishes to make, and that these committees can be advisory by adding a working group composed of citizens of the municipality;

WHEREAS the Council's desire to promote citizen participation in several of its committees as a measure to improve municipal democracy;

WHEREAS resolutions 2025-11-159, 2025-12-167, and 2026-01-10 establish the committees and assign them members;

WHEREAS the committees must focus their efforts on furthering the Council's vision;

WHEREAS the general purpose of these committees is to make recommendations to the Council on the direction it may choose to take on various issues, and not to interfere in the areas of responsibility of municipal officials and employees;

It is proposed by Sam Burke

RESOLVED

THAT the list of committees established in resolution 2025-11-59 be deemed compliant.

THAT the mandate of these committees for the 2026-2029 period and their composition be guided and modified according to the descriptions opposite.

THAT the committees must submit all requests for information, analysis, and studies

for the development of their files to the Director General, who will forward them, as needed, to other municipal officials and employees.

1. Urban Planning Advisory Committee (UPAC)

The Urban Planning Advisory Committee (UPAC) is composed of Councillor Marie-France Gareau, Chair, Councillor Lorraine Rochon, and residents Suzie Bouchard and Jacques Simard, who were confirmed by Council resolution for a two-year term, renewable by Council resolution. Three members constitute a quorum for meetings.

The UPAC is governed by By-law 2017-015 – By-law establishing the Urban Planning Advisory Committee, and continues to operate in accordance with the provisions of the municipal urban plan. Without having to revise this by-law immediately or interfere with all of its responsibilities under section 5 of Chapter II of the by-law, Council expressly mandates the UPAC with the following mandate for the period 2025-2029:

- a. To make any recommendations on specific directions that Council may request be taken into account before revising existing urban planning by-laws;
- b. Evaluate the relevance of the current urban planning regulations that allow for better regulation of cottage development in the municipality, and make recommendations to Council regarding ways to expand their scope;
- c. Evaluate the relevance of Article 18 – Fee Schedules, of By-law 2017-011 on Permits and Certificates, and, based on criteria such as the actual cost of processing files, the nature and complexity of the work, additional assessments due to environmental or heritage requirements, and harmonization with current practices, make recommendations to Council regarding the need to amend these fees;
- d. Make recommendations to Council on any additional environmental protection measures that the municipality could take to improve the water quality of our lakes and rivers;
- e. Provide recommendations to Council on any matter submitted to it or that it deems relevant concerning the biophysical environment of the municipality;
- f. Evaluate the next map of flood risk zones, which will be established by the Government of Quebec by 2028, and make recommendations to the Council regarding the relevance of this map to the flood zones of the municipality.

2. Municipal Services Advisory Committee

The Municipal Services Advisory Committee is composed of Councillor Jean-Marie Duchamp, Chair, Councillor Orville Miller, and a working group comprising one to four residents of the municipality, whose members will be confirmed by a Council resolution for a two-year term, renewable by Council resolution. A quorum of three members is required for meetings.

The Committee will establish its own internal rules.

The Mayor may attend any Committee meeting but does not have voting rights.

The Committee's purpose is to formulate, upon Council resolution, recommendations on any matter concerning the various municipal services, including waste collection, road maintenance, septic tank pumping, fire protection, police services, and social services. In the immediate future, the Committee will work on the following:

- a. Providing, before 2027, recommendations that could lead to a possible overhaul of

the Waste Management Program (WMP) adapted to the diverse sectoral needs of the municipality. In accordance with the Act respecting municipal powers and the modernized Selective Collection Project of the Government of Quebec, its recommendations must be formulated taking into account the following factors:

- 1) The choice of collection container types and their placement based on territorial organization factors that differentiate the various sectors of the municipality and influence collection, such as the type and condition of roads, accessibility to potential collection sites in all seasons, and the proximity of the residences served to these sites;
- 2) The collection potential on private roads;
- 3) The frequency of collections;
- 4) The availability of service providers and their equipment;
- 5)
 - a. The costs;
 - b. Based on a comprehensive inventory of all municipal roads conducted by the general management, defining their designation (public or private), their condition, maintenance responsibilities, and estimated annual costs, make recommendations to Council before June 2027 regarding any changes to:
 - 1) Municipal responsibility for publicly owned roads;
 - 2) The transfer or municipalization of private roads;
 - 3) Municipal responsibility for the winter maintenance of private roads and the allocation of associated costs;
 - c. In parallel, make any recommendations to Council regarding the relevance, practicality, and added value of by-law 2023-03;
 - d. Make recommendations on the relevance of fostering social development over time within the municipality.

3. Municipal Finance Advisory Committee

The Municipal Finance Advisory Committee is composed of Councillor Emile Givogue, Chair, Councillor Orville Miller, and up to two residents of the municipality, who will be confirmed by a Council resolution for a two-year term, renewable by Council resolution. Two members constitute a quorum for meetings.

The Committee will establish its own internal rules.

The Mayor may attend any Committee meeting but does not have voting rights.

The Finance Committee will make recommendations to Council on the development of a financial vision based on Council's overall vision, which will lead to a directive to the Director General for the development of a long-term financial plan.

4. Municipal Transparency Advisory Committee

The Municipal Transparency Advisory Committee is composed of Councillor Marie-France Gareau, Chair, Councillor Emile Givogue, and a working group including one or two residents of the municipality, whose appointment will be confirmed by a Council resolution for a two-year term, renewable by Council resolution. Two members constitute a quorum for meetings.

The Committee will establish its own internal rules.

The Mayor may attend any Committee meeting without voting rights.

The Committee's purpose is to provide Council with recommendations that could lead to concrete directives for senior management aimed at optimizing transparency in municipal administration.

5. Civil Security and Public Works Committee

The Civil Security and Public Works Committee is composed of Councillor Sam Burke, Chair, and Councillor Jean-Marie Duchamp.

The Committee will establish its own internal rules.

The Mayor may attend any Committee meeting without voting rights.

The committee chair will be a member, along with the mayor and the general manager, of the intermunicipal committee governing the Mayo-Mulgrave-et-Derry Fire Department.

The general manager has primary responsibility for developing civil security and public works plans. The committee's purpose is to provide recommendations to Council regarding civil security and public works, focusing primarily on the following:

- a. The viability and relevance of the municipality's current civil security plan;
- b. Prior to Council's adoption of the public works plans developed by the general manager and any amendments during implementation, the recommendations will aim to inform Council about the relevance and financial feasibility of these plans in light of its long-term vision and short- and medium-term objectives;
- c. The relevance of the municipality's involvement in the Mayo-Mulgrave-et-Derry Fire Department.

6. The Culture and Recreation Committee

The Culture and Recreation Committee is chaired by Councillor Lorraine Rochon.

The Committee will work as follows:

- a. Make recommendations to Council regarding the proper functioning of the municipal library;
- b. Monitor cultural projects and activities within the municipality and make recommendations to Council regarding potential municipal financial support and the appropriate attendance and involvement of elected officials;
- c. Stay informed about all recreational activities held within the municipality and make recommendations to Council regarding the appropriateness of municipal financial support and the appropriate attendance of elected officials;
- d. Make recommendations to Council for any future cultural development projects for the benefit of the municipality's residents;
- e. Coordinate with the municipal website administrator to develop an informative "Culture and Recreation" page where citizens can stay up-to-date on developments in these areas and available activities. The Committee will ensure that this page is

regularly updated.

Note: Mayor André Harvey requests a vote on the adoption of this resolution.

Adopted unanimously.

7.5 2026-02-23 Council Position on Donation Requests and Financial Contributions

WHEREAS the Municipality of Mulgrave-et-Derry must manage public funds prudently, responsibly, and equitably, in the best interests of all its citizens;

WHEREAS the municipality's financial resources are limited and must be primarily allocated to the provision of essential municipal services, including infrastructure maintenance, road maintenance, safety, and services to the public;

WHEREAS granting financial contributions (donations and sponsorships) to external organizations can create an appearance of favouritism and set a precedent for other similar requests;

WHEREAS the municipality wishes to maintain its institutional neutrality and ensure fairness among the various organizations and causes;

WHEREAS charitable donations are voluntary and involve a personal choice;

WHEREAS the municipality does not currently have a policy governing the granting of donations, sponsorships, or voluntary contributions;

WHEREAS this decision does not call into question the value of the requesting organization, but reflects the responsibilities of the municipal council;

It is proposed by Marie-France Gareau

RESOLVED

THAT the municipal council of Mulgrave-et-Derry will refuse requests for financial contributions (donations and sponsorships) until it adopts a policy governing donations, sponsorships, or requests for financial contributions.

THAT this resolution does not diminish the recognition of the mission and objectives pursued by the requesting organizations.

Note: Mr. André Harvey, Mayor, requests a vote on the adoption of this resolution.

Adopted unanimously
